

# Haiti Adoption Expenses by Chronology

The total cost of your Haiti adoption will consist of both CCAI Program Fees and expenses outside of CCAI Program Fees. One of the many benefits of CCAI's Haiti adoption program is that the costs are clearly defined from the moment you begin your adoption journey. The adoption fees and costs are spread out over the course of the entire adoption process. Expenses paid to CCAI throughout the adoption (highlighted in **BOLD** below) will be about one-fourth of the overall adoption expenses. Below we have listed each expense necessary to complete your adoption, to whom it is paid, and when it is due. Each expense is identified by the **Key** and detailed in "Explanation of Non-CCAI Expenses."
